

Taha Aliasgar Badami

Full Stack Developer | React | Python

Pune, Maharashtra | 8482843350 | badamitab@gmail.com

Professional Summary

Entry level full stack developer experienced in building responsive web applications using React and Python. Familiar with API-driven development, JWT authentication, and modern UI design practices.

Certifications

- **Cisco Certified Network Associate (CCNA)** — Sysap Technologies, 2023
- **Certified Ethical Hacker (CEH)** — EC-Council, 2023

Technical Skills

Frontend: React, Tailwind CSS, HTML, CSS, JavaScript

Backend: Python, REST APIs, JWT Authentication

Programming: Python, SQL, Java, C++

Tools: Git, Linux, Docker

Work Experience

IT Support Engineer — Olympus Computers, Pune

Sep 2024 – Mar 2025

- Configured and maintained hardware and OS environments with 99
- Resolved 70+ weekly technical issues involving networks, operating systems, and end-user devices with a resolution rate of 95
- Collaborated with system administrators to implement security patches and deliver support initiatives aligned with SLAs.

Projects

Student Management Portal

Jan 2025 – Feb 2025

Tech Stack: React, Tailwind CSS, REST API, JWT Authentication

- Developed a full-stack student management portal allowing administrators to create, update, search, and delete records through a responsive React interface.
- Built dynamic forms where department and program options update based on user selections using backend data.
- Implemented JWT-based login flow and protected routes to manage role-based access.
- Applied client-side validation and structured component design to improve usability and maintainability.

Smart Video Controller

Mar 2024 – Aug 2024

Tech Stack: Python, OpenCV, MediaPipe

- Created a gesture-controlled media application using computer vision for real-time playback control.
- Integrated hand tracking models to detect gestures for navigation, volume adjustment, and interaction.
- Optimized frame processing pipeline to maintain stable performance on mid-range hardware.

Education

Bachelor of Computer Applications (BCA) — Abeda Inamdar Senior College, Pune 2022 – 2025

CGPA: 8.4 / 10

- Relevant Coursework: Network Security, Ethical Hacking, Database Management Systems, Web Technologies, Operating Systems
- Active participant in cybersecurity communities and CTF competitions
