

Taha Aliasgar Badami

Information Security & Compliance Intern

Pune, Maharashtra | +91-8482843350 | badamitab@gmail.com | LinkedIn: Taha-Badami

Professional Summary

Early-career cybersecurity professional with EC-Council certifications (CEH, CHFI) and a foundation in information security concepts, control frameworks, and structured technical documentation. Experienced in producing clear, structured reports from hands-on security assessments, with strong writing and attention to detail. Comfortable using AI-assisted tools for research, drafting, and structuring documentation, and eager to build practical exposure to ISMS and compliance frameworks such as ISO 27001 and SOC 2.

Technical Skills

Information Security Foundations: CEH, CHFI Certifications, OWASP Top 10, MITRE ATT&CK, CIA Triad, Security Controls Awareness

Documentation & Reporting: Structured Technical Reporting, Policy/Procedure-Style Writing, Vulnerability Assessment Documentation

AI-Assisted Workflows: Drafting, Research, and Document Structuring using AI Tools (ChatGPT, Claude)

Tools: MS Word, MS Excel, Git

Analytical Skills: Attention to Detail, Gap Identification, Version-Controlled Documentation

Work Experience

IT Support Engineer — Olympus Computers, Pune Sep 2024 – Sep 2025

- Collaborated with system administrators to implement security patches and deliver support initiatives aligned with SLAs, reinforcing structured, process-driven documentation habits.
- Configured and maintained hardware and OS environments across 100+ workstations, sustaining 99% uptime through consistent, documented maintenance procedures.
- Resolved 70+ weekly technical issues with a 95% resolution rate, maintaining accurate issue logs to support consistency across the support team.

Projects

Penetration Testing Lab Environment Ongoing

Tech Stack: VirtualBox, Kali Linux, Metasploitable, DVWA

- Performed vulnerability assessments using Nmap, Nessus, and OpenVAS, documenting findings in structured, audit-style reports.
- Practiced translating technical findings into clear written summaries suitable for review and follow-up action.
- Built and maintained an isolated lab environment, applying consistent documentation practices across repeated exercises.

Deepfake Image Detection — Applied Research (Co-Author)

Hybrid CNN, Spatial + Frequency-Domain Analysis

- Co-authored a structured research paper analyzing methodology, results, and findings, reaching 83–84% validation accuracy.
- Wrote and revised formal documentation sections (methodology, results, discussion) to academic writing standards.

Education

Bachelor of Computer Applications (BCA) — Abeda Inamdar Senior College, Pune 2022 – 2025
CGPA: 8.4 / 10

Higher Secondary Certificate (HSC) — Maharashtra State Board, 62% 2022

Secondary School Certificate (SSC) — Maharashtra State Board, 77% 2020

Certifications

Computer Hacking Forensic Investigator (CHFI) — EC-Council 2026

Certified Ethical Hacker (CEH) — EC-Council 2025

Cisco Certified Network Associate (CCNA) — Sysap Technologies 2023
